Report of Principal and School Improvement Council

St. John's High School, the only public high school on Johns Island, is showing in numerous ways how the district's theme, "The Victory is in the Classroom," is a part of daily life in our school. As a Title I school, we are continuing our emphasis on improving the quality of instruction and strengthening relationships between adults in our school and our students, we have made great strides in bridging the gap between the home and school and have progressed towards being a "Community School" in its truest form. Our students benefit from our comprehensive curriculum, which includes college preparatory, honors, Advanced Placement, dual enrollment and quality Career and Technology Education (CTE) courses. Students are able to take courses not only through the typical format but also through virtual and online formats. Apex Learning labs are utilized to provide opportunities for students to recover lost credits, for remediation, and for acceleration. With significant emphasis on improving the quality of instruction and fostering stability in leadership positions, we are proud of our progress and the accomplishments of our students and staff this year. These accomplishments include an "Excellent" Improvement Rating in 2011, as well as an increase in our HSAP success rate. Although we continue to face academic challenges, we remain cognizant of the fact that our successes are directly related to the efforts of our students, staff and business partners. We will continue to exhibit resilience in our quest for excellence. During the 2011-2012 school year, our students continued to excel and many were recognized individually for academic, athletic, and artistic excellence.

We acknowledge that, while we as a faculty and staff are all working diligently at St. John's to ensure every child reaches his potential and has a quality education, we need and welcome the help of parents and community. Many efforts, including but not limited to the annual Islander Family Night, our Academic Achievement ceremony, and our annual Miss St. John's Pageant, foster stronger relationships between the community and the school. These are relationships that we value and see as essential in the education of our students. As we continue to strive for excellence at St. John's, we encourage you, our Islander community, to continue to be involved in our school through our parent, community, and business partnerships; our School Improvement Council; booster clubs; advisory boards; and Parent Teacher Student Association. Please visit our school to see the great things that occur daily and become involved in ensuring the success of our students and our Islander community.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
